MANE ATTRACTION

TIGI reveals how to get the look.

Prepare hair while it's wet; to build texture start by layering Bed Head Candy Fixations Sugar Shock and small amounts of Totally Baked. Do this whilst also blowdrying the hair, and brushing upward and back to achieve volume. Next, place some fingertip amounts of new Bed Head Up Front Gel Pomade on the sides for a rockin' shine. To finish with hold, again place Up Front fingertip amounts through top section then spray with Bed Head Masterpiece for serious shine.
