The BEAUTY

Edited by Dana Koh

VITAMIN A

Mention anti-ageing and vitamin A—or its derivatives retinol and retinoid—will most likely be the first ingredient on a skincare aficionados list. Its ability to speed up and stimulate cell turnover and collagen production help to reveal healthier, younger-looking skin with reversed sun damage, dullness and fine lines. The best way to use this is at night, because it can increase skin's photo-sensitivity and may sting during the day even with the right skincare and sunscreen on top. Even those with sensitive skin can benefit from the right retinol, like Tata Harper's Retinoic Nutrient Face Oil, which is a gentle, natural formula with a blend of botanicals, vitamins and minerals.

Ring, Wunderkind. Earrings, Margova. Ear cuff, Maria Black. Nose ring, Topshop

FACE THE WORLD

It takes serious skincare to achieve skin confidence—not just good genes. Add these hero ingredients to repair, fortify and protect skin, so you can step out barefaced and beautiful.

COMEBACK DER
FÖHNWELLE:
»ANSATZ-BOOSTER,
BÜRSTE UND FÖHN
SORGEN FÜR
MEGA-VOLUMEN«

Jeder weiß: Kälte und trockene Heizungsluft sind die Killer für gesundes Haar: „Es wird oft statisch aufgeladen und trocknet aus“, so Andreas Wild, Hair-Artist und John Frieda Ambassador. Deshalb ist die richtige Pflege umso entscheidender: Feuchtigkeitsspendendes Shampoo, Leave-in-Conditioner und reichhaltige Masken bestimmen die Routine. „Mein Tipp: Unter der Wollmütze ein Seidentuch ums Haar wickeln. Das schützt und hält es schön sleek und glänzend“, so Wild.

Linke Seite: Kleid und Cape mit Fransen: beides **Tory Burch**. Creolen „Love“ aus Gelbgold: **Cartier**; diese Seite: Cape: **Valentino**
